STEPHENSON

Dear Prospective Sponsor,

The Stephenson High School basketball program goals are to provide young ladies and young men an opportunity to become better basketball players and citizens. This is accomplished through dedicated coaches, teaching them fundamental skills, philosophies, and by teaching them to the highest level of competition. First and foremost, the focus of our program is to develop players on and off the court. They each have made the commitment to work hard on the court as well as in the classroom and understand that success can be obtained in both.

Our coaching staff provides mentoring, conditioning, and supports tutoring for success academically and athletically. These services are provided to make the players more competitive and marketable for scholarship opportunities. There are 60 players, boys and girls, on our current team rosters.

SHS Tip Off Club is a 501(C)3 non-profit program. Please consider assisting our youth achieve success and fulfill their dreams.
